

Chapter 9.56

BARRIERS OF CLOSED STREETS

Sections:

- 9.56.010 Barricades required when street closed.
- 9.56.030 Responsibility of Street Commissioner.
- 9.56.040 Destroying barricade - Penalty for violation.

9.56.010 Barricades required when street closed. Whenever for any reason, any public place or alley, shall be closed or otherwise rendered impassable, and when by reason of such fact the traffic is thereby obliged to make a detour around the closed or impassable street or alley, a barricade with the appropriate reflectivity shall be erected. (Ord. 2003-59, S1, Oct. 22, 2003) (Ord. 66 S 1; September 5, 1927).

9.56.030 Responsibility of Street Commissioner. It shall be the duty of the Street Commissioner to install and maintain barricades with the appropriate reflectivity as may be needed on the streets of this city to comply with the provisions of this chapter. Hereafter no contract for the construction or repair of any streets, alleys or public improvements shall be awarded unless such contract shall contain a provision expressly stipulating that the person, firm or corporation to whom such contract is awarded shall, under the direction of the Street Commissioner, be held responsible for supplying, installing, maintaining and removal of such barricades. (Ord. 2003-59, S3, Oct. 22, 2003) (Ord. 66 S 3; September 5, 1927)

9.56.040 Destroying barricade - Penalty for violation. It shall be unlawful for any person to remove, mutilate, or in any other manner to destroy the usefulness of any such barricade or to pass by such barricade. Any person who shall violate any of the provisions of this section upon conviction thereof shall be fined Twenty-Five Dollars (\$25.00) and shall also pay to the city the cost of repairing or renewing any damaged parts to the street, alley, improvement, or barricade. (Ord. 2003-59, S4, Oct. 22, 2003) (Ord. 1989-7 S4, 1989; Ord. 66 S 4; September 5, 1927).
